**56%**  
Better return

# Smart Renos

## **PAY BACK**

### Disappear in your personal spa

Today's stress-filled world leaves us all crying out for rest and relaxation. **RE/MAX** knows making your bathroom the best it can be will generate a 56% higher return on investment than the average return on other popular renovations.

The goal should be to create a spa-like environment in your bathroom by installing a soaker tub with relaxing jets, or perhaps a new steam shower stall.
